SUMMARY

Backend and Blockchain Developer skilled in Java, Solidity, Python, and Web3 technologies. Experienced in building smart contracts, backend systems, and practical blockchain applications. Pursuing B.Tech in Computer Science and developing real-world projects, including stablecoins and verification systems. Strong problem-solving mindset with a growing interest in scalable engineering, clean code, and effective team collaboration.

SKILLS

- Languages:** Solidity, Java, Python, JavaScript (Web3.js)
Blockchain: Smart Contracts, Hardhat, Web3.js, DeFi, Stablecoin Systems
Backend: Flask, REST APIs
Web: HTML, CSS
Database: MySQL
Tools: Git, GitHub, VS Code
Soft Skills: Leadership, Analytical Thinking, Time Management, Problem Solving

PROJECTS

- SWAT Coin — USD-Pegged Stablecoin** Jul 2025 – Nov 2025
Technologies: Solidity, Hardhat, JavaScript (Web3.js)
- Built a fully functional stablecoin pegged to **\$1 USD**, implementing mint, burn, and collateral control mechanisms.
 - Developed smart contracts in **Solidity**, emphasizing gas optimization and secure token flows.
 - Designed automated contract tests in **Hardhat** to ensure predictable and stable token behavior.
 - Created tokenomics logic and published the full project with documentation on GitHub.
- Medicine Verification System** oct 2024-June2025
Technologies: Python, Flask, Web3
- Leader, Designer & Developer.
 - Developed aweb-based system that verifies the authenticity of medicines using image input and QR code generation.
 - Implemented abackend in Flask to handle data processing and QR verification logic.
- Matrix Analyzer Tool** March2025
Technologies: Python
- Developed a matrix analysis application to process and visualize large datasets using Python libraries.

CERTIFICATIONS

- Google AI Essentials — Coursera
- AI & Robotics — Techkriti, IIT Kanpur
- Bits and Bytes of Computer Networking — Coursera

EDUCATION

- B.Tech, CSE** 2023 - 2027
Vellore Institute of Technology, Bhopal, 8.13 / 10
- Class XII (CBSE)** 2021 - 2023
Rukmani Birla Modern High School, Jaipur, 62.8 %
- Class X(CBSE)** 2019 - 2021
Rukmani Birla Modern High School, Jaipur, 89 %

WORKSHOPS ATTENDED

- Participated in workshops focused on Web Development and Artificial Intelligence.
- Competed in multiple hackathons.

LANGUAGES & HOBBIES

- Languages -** English, Hindi
Hobbies- Writing, Music Enthusiast, Football, Chess, Gaming
